AG&G have not inspected or measured this property. Interested parties are required to undertake their own research and due diligence and inspection prior to bidding.

According to Promap, the property has the following approximate building footprint and site area measurement:-

Building Footprint	177 sq m (1,905 sq ft)
Total Site Area	210 sq m (2,260 sq ft)

NB: The floor areas set are approximate and is for guidance purposes only and no reliance should be placed on this when making any offer to purchase either expressly or impliedly and for the avoidance of doubt AG&G Chartered Surveyors will be not liable for any losses howsoever arising in law as a result of the bidder placing any reliance on such measurement. The successful bidder should state if they wish to undertake a measured survey prior to exchange of contracts to enable it to satisfy itself of the precise measurements.

Licensing

The property historically held a premises licence which allowed for the sale of alcohol from 10:00am until 11:00pm on Monday to Saturday and from noon until 10:30pm on Sunday. Parties interested in re-opening the site as a public house are encouraged to undertake their own enquires with the London Borough of Southwark's licensing department.

Planning

From enquiry of the London Borough of Southwark we have established that the property is neither statutorily listed nor situated within a conservation area. Two possible redevelopment options of the site have been considered and prepared:-

Option 1

- 2 x commercial units on ground floor
- 1 x one bedroom flat
- 2 x Two bedroom duplex
- 6 x Two bedroom flats
- Roof garden on the top floor

Total: 9 x residential units and 2 x commercial units

Option 2

- 44 Student units with associated bike storage and communal kitchen space
- Constructed over ground floor and four upper floors

Please note that the above information is provided for illustrative purposes and do not constitute as approved planning. Any incoming purchaser must rely upon their own due diligence and the above information cannot be relied upon.
